

Workshop: The Impacts and Methodology of Indicators and Scoreboards

22-23 | Joint Research Centre,
March | Enrico Fermi 2749, 21027, Ispra (IT)
2018 | *Room: 100/1003 - Acqua*

Purpose and Scope

The purpose of this two-day workshop is to bring together policy analysts and researchers from the European Commission and the academia, to foster a practical exchange of ideas and experiences related to the impacts, uses and abuses of indicators, and to explore the implications for the design of scoreboards and indicator frameworks.

Programme

First day: Thursday , 22nd March 2018

09:30 Welcome & Introduction

William Becker

European Commission, Joint Research Centre

10:00 Science driven, data driven, policy driven – federating indicator communities

Walter Radermacher

Federation of European National Statistical Societies

Making the best of unintended impacts: boundary work, statistical entrepreneurship, and 'opening up' indicators

Markku Lehtonen

Ecole des Hautes Etudes en Sciences Sociales, Paris

10:45 Open discussion

11:15 Coffee break

11:45 Enhancing the policy relevance of sustainability indicators: experiences from Finland

Jari Lyytimäki

Finnish Environment Institute

Indicator-based assessment: A path to a better communication about sustainable development in Switzerland?

André de Montmollin

Swiss Federal Statistical Office

12:30 Open discussion

13:00 Lunch break

14:30 **New challenges for indicator construction, use and communication**

Filomena Maggino

University of Rome La Sapienza

Indicators as reduction of complexity and uncertainty absorption technologies: a social systems perspective

Paul-Marie Boulanger

Institut pour le développement durable, Belgium

15:15 **Open discussion**

15:45 **Coffee break**

16:15 **Monitoring Sustainable Development in an EU context**

Nicola Massarelli

European Commission, DG EUROSTAT

The MDGs, Capabilities and Human Rights

Sakiko Fukuda-Parr

The New School, New York

17:00 **Open discussion**

17:30 **End of first day**

20:30 **Social dinner**

Second day: Friday 23rd March 2018

09:30 **The ASEM Sustainable Connectivity Index**

Marcos Dominguez-Torreiro

European Commission, Joint Research Centre

The resilience of EU Member States to the financial and economic crisis

Anna Rita Manca

European Commission, Joint Research Centre

10:15 **Open discussion**

10:45 **Coffee break**

11:15 **Model-Based Synthesis for SDGs Indicators**

Maurizio Vichi

University of Rome La Sapienza

A posetric toolbox for the construction of synthetic indicators

Marco Fattore

University of Milan Bicocca

12:00 **Open discussion**

12:30 **Lunch break**

- 
- 14:00 **Simplifying Sustainable Urban Logistics Indicators: is it possible?**
Yari Borbon
University Carlo Cattaneo (LIUC), Italy & Inclusive Science Technology and Innovation
Centre (CRISTI), Mexico
- The Social cost of unemployment**
Antonio Villar
University Pablo de Olavide, Spain
- 14:45 **Open discussion**
- 15:15 **Concluding remarks**
Michaela Saisana
European Commission, Joint Research Centre
- 15:30 **Coffee break**
- 16:00 **Visit to the JRC Visitor's Centre**
- 17:00 **End of workshop**
